

W. J. Harrison, Bride Arrive from Australia

Honeymooning in Southern California and Arizona are Mr. and Mrs. Wayland Justin Harrison, who were married on Feb. 13 at the St. Mary's Catholic Church in Dandeng, Australia. The bride is the former Patricia Mary Rattray, daughter of Mr. and Mrs. L. S. Rattray of Melbourne, Australia.

The bridegroom is the son of Dr. and Mrs. W. J. Harrison of Palm Springs, formerly of Torrance. He is also the grandson of Mrs. Minnie Harrison, 1610 Beech Ave., long-time Torrance resident.

For the late afternoon wedding ceremony, the bride wore a gown of Chantilly lace over white satin. The ballerina length gown was fashioned on empire lines. Her illusion veil was secured by a satin and lace headpiece and she carried a bouquet of white roses and lilies.

Desmond Rattray, brother of the bride, stood as best man.

The Rev. R. Hartnett officiated at the marriage ceremony which was followed by a reception at The Gables in Melbourne.

The couple returned to the United States by Pan American Airlines and on Sunday, March 1, a reception was held at the Torrance YWCA from 2 to 4 p.m. with over 100 relatives and guests greeting the newlyweds.

The bride is a graduate of Sacred Heart School in St. Kilda, Australia.

Her husband is a graduate of Washington High School, Woodbury College and Santa Barbara State College. He is employed as an x-ray technician at the Kaiser Foundation hospital.

The bridal couple is now at home at 1610 Beech Ave., Torrance.

Bringing Up Baby

HINTS COLLECTED BY MRS. DAN GERBER, MOTHER OF 5

There's a theory that second babies cry less than first timers because there is less hovering and mother-henning over second babies. As a consequence they learn not to expect pickups at the drop of a whimper. And since they are left somewhat more to their own devices, they learn to amuse themselves faster . . . mind being left alone less.

old saying. Wise words and true when it comes to toddlers. So try not to compare your children with each other or with the little fellow down the street. No two babies develop in the same way and no matter what they do when, most babies catch up with each other in the end.

Refreshing news story. No matter what age, babies respond pleasantly to Gerber Strained Juices. That's because they're delicate in flavor and finely strained for easy sipping and swallowing. Best of all, there are now 9 delicious varieties to multiply baby's pleasure at getting his daily ration of vitamin C: Orange Juice, Apple Juice, Orange-Apple, Orange-Apricot, Orange-Pineapple, Apple-Cherry, Pineapple-Grapefruit and two newer ones, Mixed Fruit Juice and Prune-Orange. All are equally rich in vitamin C.

Two-way play. If you've two under 3, toddler jealousy can usually be turned into toddler delight if you create some fun and games in which baby #2 can't participate. Your toddler will bask in the warmth of your attention.

Happy ending dept. Mealtime finales take on special magic when you top baby's main course with a Gerber Strained or Junior Dessert. For these delectables are as smooth and flavorful as smooth as deserts can be. Made from whole milk solids, eggs and selected fruit they're also wholesome as can be.
